Dennis Alan Lempert has significant experience successfully handling prostitution, pimping and pandering cases. Dennis Alan Lempert achieves these results in prostitution, pimping and pandering charges by relentlessly fighting for his clients.

Prostitution is a crime which requires an agreement between people who consent to engage in sexual activity for money, and any act in furtherance of that agreement taken toward completing a sexual act. The sex act does not have to occur to be a prosecuted.

Pimping and pandering are crimes where a person derives income from the activities of prostitutes.

Prostitution, pimping and pandering allegations should not be taken lightly.

Law enforcement agencies take prostitution, pimping and pandering crimes very seriously. Many police departments have created undercover operations focused on eradication of prostitution and related offenses. "Johns" are as likely to be arrested and prosecuted as the females who earn money from prostitution.

Immigrants frequently are the target of prostitution investigations, and face potentially serious immigration consequences, including deportation, upon conviction for prostitution.
